Farmers Will Hold Out Until Demands Are Met is Statement

MYRNAM, Alta., March 1.—With almost three months elapsing since the farmers of this district staged their "farm strike" following what they alleged to be improper trading of their grain by local elevator agents, John P. Mr. McGeer envisioned a national bank to be owned by the people, to be established by a national bank act, and to be controlled by a national bank council, which would be composed of representatives of the people, the government, and the business community.

PROVOST, Alta., March 1.—This Alberta provincial government playing the part of a hardhearted landlord, evicting a family from their home for unpaid rent on a title company and threatening to turn their family out into the snow at this time of year seems almost incredible, but J.
